COMFLUENT
where the networks meet

Connecting the Mountains to the Core

Are you located in the mountains, Western slope or other rural areas? Would you like to have access to the wide variety of carriers available at Comfluent?

Look no further!

We can provide you with cost-effective, efficient access to all of our carriers. We simply take advantage of the ubiquity and reach of the Qwest ATM cloud to extend an Ethernet link to your location – anywhere in the northern LATA.

Best of all, we do it for a price that makes the ethernet WAN a reality anywhere.

Are you in a Qwest central office?

ISPs and CLECs in Qwest central offices can take advantage of our Ethernet / ATM Transport product to purchase internet access from the carrier of their choice, even if they don't offer their services over ATM.

Better yet, our Ethernet / ATM service is one of the most cost effective options available for reaching the Internet from of a central office.

Request a customized quote today. We pride ourselves on working with one client at a time to develop precise solutions to meet their business needs.
